5 Keys to Change

1. Desire Change. You won't change your behavior until you really want to change.
2. Change Your Habits. If you really want to change, you must get rid of the sources of temptation and the near occasions of sin.
3. Get Accountable. Secrecy is suicide. Satan wants you to think that you can fight your battles on your own.
4. Prayer. Jesus desires to heal you. Have you actually asked Jesus to make you clean?
5. Learn more. Professional assistance, through a priest or a counselor, is often a superior way to jumpstart the recovery process.
