CHOOSE LIFE! Please pray for all children. Abortion destroys a life that has already begun. The egg and the sperm are already living; at conception they unite and become a human life. The state protects eagles and snails; is it asking too much for the protection of unborn human babies?

News item from USCCB Secretariat of Pro-Life Activities

WASHINGTON – Archbishop Joseph F. Naumann of Kansas City in Kansas, chairman of the U.S. Conference of Catholic Bishops' Committee on Pro-Life Activities, applauded the Trump Administration following the release of the National Institutes of Health Human Fetal Tissue Research Ethics Advisory Board report in which the Board recommended withholding federal funding from 13 out of 14 research proposals involving the use of fetal tissue.

“We applaud the Administration for moving NIH in a direction that shows greater consideration for medical ethics in research, and greater respect for innocent human life. It is neither ethical nor necessary to further violate the bodies of aborted babies by commodifying them for use in medical research. The victims of abortion deserve the same respect as every other human person. We are grateful that the Administration is following through on its commitment to end federal funding of research using aborted fetal tissue.”

SYMPATHY is extended to the family of Jim Brennan, who died Aug. 24th. His private funeral Mass was Fri., Aug. 28th at the Marion church, with burial afterwards in the Marion cemetery. Please keep his soul and his family in your prayers.

ADORATION TIME: Some Marion adoration time slots are open. Now is a good time to be with Our Lord, when we have few commitments, and the need for prayer is great. Please contact Jackie Palic at 620.382.3757.
