### Positive Identity

To the Church, no one is insignificant, no one is useless, no one is lost, no one need be in despair, no one need be without a vocation in life. Through the Christian vocation, the miserable existence can become the most noble, the most precious. To the small, the poor, the suffering, the Church offers something which will give their lives a value, a dignity, and a hope—and a abiding sense of the meaningfulness of life.  
~ Pope Paul VI

**RECENT CONTRIBUTIONS:** Since the first of the year, you may have noticed that frequently our weekly contributions have been very high. This is due to parishioners taking advantage of the tax benefits of donating to a qualified charity directly from their IRA, called a "Qualified Charitable Donation," or QCD. No taxes are withheld on a QCD, whereas when you give out of your checking account, you are donating taxed income. Many people withdraw money from their IRA, and also make regular donations to the church. By filling out special paperwork and giving a lump sum once a year directly from an IRA, income taxes are avoided. You must be 70 1/2 years old to make a QCD, which counts toward your required minimum distribution for the year. Be sure to ask your accountant if this would benefit you. So far this year, Holy Family has received \$27,000 from QCD's.
