First part of the Pastoral Statement on Abortion written by Bishop Emeritus of the Diocese of San Angelo

Abortion is the Greatest and Gravest Moral-Pastoral issue facing the Universal Church

Among the many needs and evils facing the worldwide church, like poverty, starvation, immigration and others, abortion as it is designed to brutally destroy the weakest and most vulnerable tiny persons, the precious children of God, and because of the staggering magnitude and unbelievable worldwide numbers of abortions, this makes it the most urgent, greatest, and gravest, moral pastoral issue facing the universal Catholic church and the church in the USA.

The statistics about this heartbreaking reminder of the huge prevalence of abortion, the intentional killing of the unborn, compiled by the Worldometers indicated there were 42.6 million people worldwide tiny children who died from abortions in 2021. This independent site collects data from government and other reputable organizations. In the USA, Planned Parenthood, and other abortion centers, murder close to one million precious unborn babies each year. Sadly, statistics indicated that most of these are elective abortions.

Since Roe v Wade decision in 1973, it is calculated that 63 million unborn babies have been killed in abortion. And sadly, the present presidential administration is constantly promoting plans and programs, with taxpayer funding, to increase these radical numbers, even infanticide to directly kill precious little images of God who survive brutal abortions, and even codify abortion as a permanent law.

When compared to COVID, the number of people died from abortion dwarfs the number of COVID deaths. Worldometers indicates that about 3.5 million people died of COVID in 2021, while the magnitude of abortions is increasing worldwide.

Alveda King, the niece of the great civil rights leader, Dr. Martin Luther King, Jr., proclaims that abortion is now the greatest civil rights issue in our country.

~ Bishop Michael Pfeifer, O.M.I.
