Through it, we encounter God in the most intimate way possible as we hear Him speak to us in the Liturgy of the Word and as we receive Him Body and Blood, Soul and Divinity in the Holy Eucharist. In his video-based study *A Biblical Walk Through the Mass*, Dr. Edward Sri explores the roots of the words and gestures we experience at Mass and explains their profound significance. This fascinating tour of the Mass will renew your faith and deepen your love for and devotion to the Holy Eucharist. For questions, please contact Jackie Palic at 620.382.3757.

Pro-Life Answers to False Pro-Choice Arguments

"You cannot legislate morality or force your religious views on others!"

To say that laws cannot make an immoral person moral is correct. To say that we do not legislate morality is nonsense. Virtually every law is based on an idea of what is right or wrong.

Laws are not passed to control thought, but to control behavior. For example, we impose our morality on rapists. We do not care so much why rapists rape, or what their moral and religious views are, or the reason why rapists disrespect women. Rape is evil and when people want to do evil, it is clearly correct for the government to impose its morality on them. Similarly, pro-lifers do not care so much what people think about babies, as long as they do not kill them.

Indeed, if laws should not be based on morality, what on earth should they be based on? The reality is that laws are based on our collective moral values and is the way society decides which activities it will and will not tolerate.

If we are going to reject a law simply because it is supported by religion, then we would have to abolish most laws. A person does not have to be especially religious to say that it is wrong to abort a child, any more than they would say it is wrong to steal money. Certain activities are unacceptable to civilized people regardless of religious beliefs. Abortion is one of those issues. In reality, abortion is a civil rights and a human rights issue.

Let us not forget that the black civil rights movement was dominated by pastors and was often headquartered in churches. That did not make civil rights a religious issue!

DAY OF PRAYER AND HEALING JUNE 18: *Entering Canaan: A Day of Prayer and Healing* retreat for women and men who have been impacted by abortion will be offered in the Wichita area June 18, 9AM-5PM. Like the Israelites who traveled for forty years before reaching the Promised Land, those who have experienced abortion often "wander in the desert" of suffering for years. *Entering Canaan: A Day of Prayer and Healing* can help participants begin the healing journey and bring hope to those who have wandered in the desert of post-abortive suffering. Registration is \$25 which includes lunch and all materials. Participation is confidential. For more information or to register, contact Stephanie Nemechek (316)269-HOPE (4673) or ProjectRachel@CatholicDioceseofWichita.org.

VALUE THEM BOTH: On August 2nd, we will have our chance to protect women and babies in Kansas by voting YES for the VALUE THEM BOTH Amendment to our state constitution.

Flyers with more information are in the back of our churches.
