Through it, we encounter God in the most intimate way possible as we hear Him speak to us in the Liturgy of the Word and as we receive Him Body and Blood, Soul and Divinity in the Holy Eucharist. In his video-based study *A Biblical Walk Through the Mass*, Dr. Edward Sri explores the roots of the words and gestures we experience at Mass and explains their profound significance. This fascinating tour of the Mass will renew your faith and deepen your love for and devotion to the Holy Eucharist. For questions, please contact Jackie Palic at 620.382.3757.

Pro-Life Answers to False Pro-Choice Arguments

"How can you make a fetus more important than a grown woman?"

Abortion is a human rights issue, but politically speaking, it does involve competing rights. On the one hand, you have the mother's "right" not to be pregnant. On the other hand, you have the baby's right not to be killed. The question that must therefore be answered is which right is more fundamental?

Abortion advocates argue that outlawing abortion would, in essence, elevate the rights of the unborn over and above those of the mother. However, in reality, outlawing abortion would not be giving unborn children more rights; it would simply re-establish for them the most fundamental right that no one can live without, namely the right to life.

If a baby is not to be aborted, then the pregnant mother must remain pregnant. This will also require of her sickness, fatigue, reduced mobility, an enlarged body and some new clothes. Fortunately, it is not a permanent condition.

On the flip side, for a pregnant woman not to be pregnant, her child must be killed (unless she is past 22 weeks of pregnancy, in which case the baby may well survive outside the womb). Abortion costs the unborn child his or her very life and it is a thoroughly permanent condition. That is what's at stake, both for the child and for the mother.

It is not an issue of who is more important, but rather who has more on the line. Any time there are competing rights, the government must protect the more fundamental right. For example, the law requires the driver of a car to slow down and stop so a pedestrian may cross the road in front of him. This is not because the pedestrian is more valuable or important than the driver, but rather because, if the driver does not stop, it might cost the pedestrian his life.

Obviously, for a woman to remain pregnant, she gives up far more than a few minutes of drive time, but she gives up far less than her baby who would otherwise be killed. This is what it comes down to. Since the child has far more at stake, the more fundamental right to life must be upheld.

We pray that society will see that it cannot love women while killing their children, and cannot save children without helping their mothers.

We pray that people will be touched by the pro-life question, “Why can’t we love them both?”

DAY OF PRAYER AND HEALING JUNE 18: *Entering Canaan: A Day of Prayer and Healing* retreat for women and men who have been impacted by abortion will be offered in the Wichita area June 18, 9AM-5PM. Like the Israelites who traveled for forty years before reaching the Promised Land, those who have experienced abortion often “wander in the desert” of suffering for years. *Entering Canaan: A Day of Prayer and Healing* can help participants begin the healing journey and bring hope to those who have wandered in the desert of post-abortive suffering. Registration is \$25 which includes lunch and all materials. Participation is confidential. For more information or to register, contact Stephanie Nemechek (316)269-HOPE (4673) or ProjectRachel@CatholicDioceseofWichita.org.

VALUE THEM BOTH: On August 2nd, we will have our chance to protect women and babies in Kansas by voting YES for the VALUE THEM BOTH Amendment to our state constitution.
Flyers with more information are in the back of our churches.
