CHOOSE JOY!

Savor little glimpses of God's goodness and His majesty, thankful for the gift of them. The secret to joy is to keep seeking God where we doubt He is. ~ Ann Voskamp

“Set Your House in Order” Class COMING SOON: Did you know that the Bible contains 500 verses on prayer, fewer than 500 verses on faith, but more than 2,500 verses on money and possessions? The Lord said a lot about it because he loves and cares deeply for us. He knows that money will challenge all of us and He wants us to handle it in a way that pleases Him and is the smartest way for us. Come discover what he says in *Set Your House In Order*. This is a five-week Bible study that helps you create, update, and organize all your important information (health care surrogate, power of attorney, password list, advisors, assets, debts, will, insurance, etc.) as well as develop a plan to become debt free. This is a good class for both husband and wife to attend, but it’s also good for singles, and for any one over 18. Please RSVP by Mon., July 18th so books can be ordered. The 5 classes will be held at the MAC on Sunday nights: Aug. 14, 21, 28 and Sept. 11 and 18. For questions, please contact Jackie Palic at 620.382.3757.

MASSSES CELEBRATED BY FR. BEBAK WHILE GONE: + John Holub and + Phyllis Landis.
ADORATION TIME: There are now THREE Marion adoration time slots available on Thursdays: from 9-10am AND 10-11pm AND 11pm-midnight. Please contact Jackie Palic at 620.382.3757 if interested.

VALUE THEM BOTH: On August 2nd, we will have our chance to protect women and babies in Kansas by voting YES for the VALUE THEM BOTH Amendment to our state constitution. The abortion industry will pour millions into our state in an attempt to mislead voters. THERE ARE ALREADY TV COMMERCIALS THAT ARE NOT TELLING THE TRUTH! The amendment does NOT abolish abortion. The people of Kansas do VALUE THEM BOTH.

ATTENTION: This amendment will be decided based on the voting done at **the primary on August 2nd**. It is critical that everyone vote in the primary as this will **NOT** be on the ballot in November!! This is our only chance! **Every single vote counts!**

INTERCESSORY PRAYER: We are all on a journey to get closer to Jesus. Praying together is one way to help heal our brokenness. Prayer opens our hearts to communicate with the loving, sacred heart of Jesus. If you would like to open your heart, through prayer, to the love Jesus has for you, please call or text Terry Vinduska at 620-381-1298. An individual prayer time will be arranged at your convenience. There will always be a third person present serving as a prayer intercessor.

CHOOSE LIFE! Please pray for our country and those who serve and protect it. “It is the right of every pregnant woman to give birth . . . and the right of every child to be born.” ~ *Birthright International*

Pro-Life Answers to False Pro-Choice Arguments

"Abortion is only used in certain unavoidable circumstances. Abortion is not used as birth control."

When the abortion lobby was originally selling the idea of making abortion legal, they ridiculed those who said it would one day be used as birth control. They said abortion would only be used in extreme and rare cases.

Today, even statistics submitted by pro-choice organizations prove this to be a lie. The data shows (a) only a tiny percentage of abortions are done for the so-called "hard cases" such as rape, (b) approximately half of all abortions are repeat abortions and (c) over 35% of all U.S. women will have at least one abortion by age 45.

When over 3,500 babies lose their life to abortion each and every day that can hardly be described as a "rare" occurrence! Given this fact, abortion apologists have switched gears and are now selling the idea that even if abortion is used as birth control, it's a private matter and no one else's business.

Of course, it most definitely is our business, because legalized abortion has proven to be not only morally indefensible, but also a financial disaster. Our tax dollars pay for abortions and since abortion has been legal, we have been forced to bear the financial burden of skyrocketing pregnancy rates of unmarried mothers.

Most importantly, before anyone can participate in any activity derived from his or her right to privacy, we must first ask, "The privacy to do what?" In the case of abortion, we are talking about the privacy to take the life of an innocent child. Thus, the only decent view is that when one individual's "choice" or "right to privacy" will cost another human being his or her life, that choice cannot be considered a matter of privacy.

We pray that people will understand that to be pro-life means to be pro-woman, and that to be pro-woman demands that we be pro-life.
