TWEETS FROM POPE FRANCIS

When we don't waste time complaining about things, but are concerned about meeting people's real needs, doing so joyfully and trusting in God's providence, then wonderful things happen. Acts of love are a gift for those who do them, even before they benefit those who receive them. For whatever we hoard for ourselves will be lost, while whatever we give out of love will be our treasure in heaven.

You can bring others the wonderful news that “God is near” (Lk 10:9). This is the precious pearl of human existence. Everyone needs to know that God is near. He awaits a small movement of our hearts in order to fill our lives with wonder.

God does not call those
who feel capable,
but those He calls,
He makes capable.
