POPE FRANCIS TWEETS:

Let us allow the rhythm of the psalms to engage us so that we remain united to Christ. The Holy Spirit can transform our entire life into a prayer of praise.

We do not weave the fabric of human history by lumping together unverified information, repeating banal and falsely persuasive speeches, and shocking others with declarations of hatred. These actions strip people of their dignity.

We cannot speak of Jesus without joy, because faith is a wonderful love story to be shared. Bearing witness to Jesus, and doing something for others in His name, means testifying to this beautiful gift that words alone cannot express.
