POPE FRANCIS TWEETS:

Let us continue to pray for peace. May the Holy Spirit enlighten the minds of leaders and instill in them wisdom and a sense of responsibility, so they may avoid any action or word that fuels conflict. May they instead work decisively for a peaceful resolution of conflicts.

Let us be patient with ourselves, waiting for and trusting in God’s timing and ways. Let us remember that God is ever faithful to His promises, so that we may rediscover our path and revive our dreams, without giving in to sadness and discouragement.

We are in the world to step out of our comfort zones and reach out to those in need. We will only find ourselves by giving ourselves for others, for life is gained only when we offer it for others.
