POPE FRANCIS TWEETS:

Prayer is the driving force of our life. It can seem like an abstract reality, far from our problems. Yet, prayer is essential, because we cannot go very far on our own. We are not all-powerful, and we fail miserably when we think we are.

Let us gaze upon the heart of God, because we need a Church and a society that neither exclude nor treat anyone as "impure." May we accept and love each person, with their particular past, without labels or prejudices.

I hope that everyone might have the experience of Peter and Paul; namely that the love of Jesus Christ may save their life and drive them to give it, drive them to give it with joy, with gratuitousness.
