Feed the Hungry, by Pat Smith

The Marion County food bank serves over 200 families each month. Families must meet requirements and they can only come twice a month. They are given milk, bread, eggs, and then whatever donations that have come in. Groceries are ordered each month from Wichita Food Bank which costs also. Hours are open Monday 9-12 and Thursday 3-6:30. You are always welcome during these times to see the operation.

Money to keep the food bank open comes from grants, memorials, community food garden, individuals, and Church donations of food items.

There are totes at each Church for food items and will be picked up frequently and taken to the food bank. Please consider donating to help our less fortunate brothers and sisters.
