A Better Choice is a Catholic pregnancy resource center in Wichita that builds a culture of life by offering support and resources to mothers who find themselves facing an unplanned pregnancy. Abortion is no longer seen as the only option when women are surrounded by help, truth, and encouragement. Free services at A Better Choice include pregnancy tests, sonograms, education, community referrals, and baby items. Women with more specific needs have access to case management, which connects them with housing, employment, medical care, and more.

In 2025, A Better Choice helped over 160 mothers choose life who originally wanted an abortion. We must do what we can to support A Better Choice and other lifesaving organizations in our area. Their impact is immeasurable.

Please consider joining A Better Choice in serving the families of our community through your prayers, donations, and volunteering. You can learn more about them or donate online at PregnancyWichita.com. Thank you for your support. - Most Reverend Carl A. Kemme, D.D., Bishop of Wichita
