CHOOSE LIFE!

Please pray for our country and those who serve and protect it.

Thomas Jefferson once said: "The care of human life and happiness, and not their destruction, is the first and only object of good government." The founders of our nation would never have accepted "Roe v Wade. Why do we?"

THANK YOU: St. Mark's Altar Society would like to express their condolences and thank the Catherine Hein family for their memorial to the Altar Society.

BIKING FOR BABIES is returning to Holy Family Parish! As they did last year, a team of bicycle riders will stay overnight in Marion as they ride across America spreading the pro-life message. These young pro-life missionaries come from all over the country to pedal over 2,500 collective miles to raise financial and spiritual support for pregnancy resource centers. Come hear their testimony on Tues., July 9th at a parish potluck dinner, MAC 6pm.

FROM THE Pastor's Desk

MOTHER ADVISED ABORTION!

Loretta Young, movie and television star, told graduates of Gregorian Court College (Lakewood, NJ) that she would never have been born if her mother had heeded the advice of her doctor.

She told the class how her mother found herself pregnant at the age of 23, and already had two small girls, one only nine months old.

She said her mother's doctor and her husband advised an abortion. She went to a priest who advised her to dedicate her unborn to the Blessed Mother.

"Apparently mamma did just that because I arrived a healthy, eight-pound baby girl," stated the actress.

She called the legalizing of abortion an "insult thrown into God's face today," and told the graduates it is just one of the things they have to do something about.

Miss Young urged the graduates "to find that place in which you can practice your chosen profession according to God's laws."

BIKING FOR BABIES: BIKING A+CROSS AMERICA, ONE MILE AT A TIME

Biking for Babies is a national, pro-life, non-profit organization that was founded in 2009. At that time, co-founders Jimmy Becker and Mike Schaefer had a vision of young men and women using their God-given physical talents to raise awareness and support for pregnancy resource centers (PRCs) across the country. Jimmy and Mike took up their bikes and cycled across the state of Illinois, talking with those they encountered, to raise this awareness. They also raised over \$14,000 that they donated to a life-affirming PRC in Illinois.

Since 2009, Biking for Babies has grown each year, raising over \$550,000, and today involves more than 30 missionaries (riders and their support crews) and supports approximately 40 PRCs across 15 states. Missionaries are partnered with a PRC, forming a personal relationship with them throughout the year, and spreading the word of the life-saving stories from that particular center.

This summer from July 7 to July 13, Biking for Babies missionaries will depart as teams from 4 locations on their long-distance bike ride: Green Bay, WI; Columbus, OH; Tylertown, MS; and Holly, CO. Each route will cover 600-800 miles during the week and converge in St. Louis, MO for a Celebration of Life event on July 13 (<https://www.bikingforbabies.com/celebration-of-life/>). The Western route, consisting of 8 missionaries, will be starting on July 7th.

The team of 5 bikers and 3 support crew will bike into Marion on the afternoon of **Tuesday, July 9th**. Please attend our parish potluck that evening at **6pm at the MAC** to meet these missionaries. Last year the stories they shared about how and why they are promoting the culture of life were heart-warming and gave great hope for this coming generation. Bring your friends to eat and visit with the team to hear more about rebuilding a Culture of Life with Biking for Babies!
